Embrace the real world

Introducing 2024 moodboard and fabric selection, we invite you to embrace to the tangible, the touchable, and the real within today's fast-paced digital world that often feels intangible. In a landscape dominated by screens and pixels, we encourage you to rediscover with the essence of physicality, to revel in the touch, the texture, and the sensation of the material world.

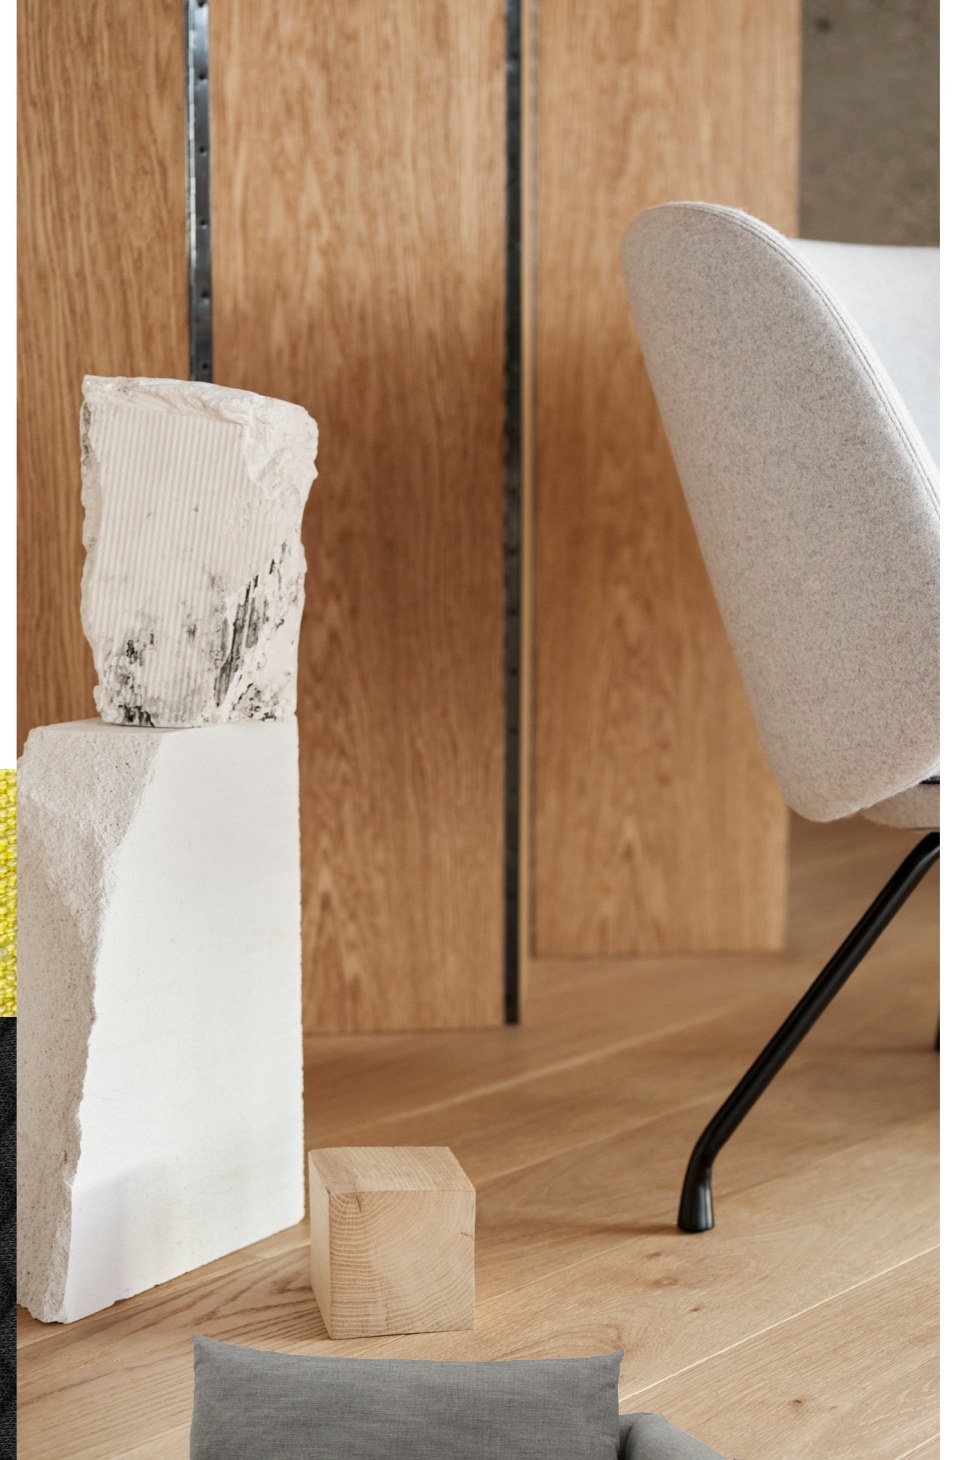

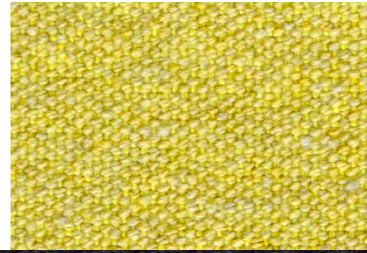

Crafted with care and curated with passion, our collection speaks about the beauty of simplicity, the elegance of authenticity, and the power of tangible experiences. Each fabric, colour and pattern tells a story underlined by craftsmanship, tradition, and timeless elegance.

Feel the joy of sensation, the thrill of touch, and the magic of materiality. Welcome to a world where the digital fades into the background, and the beauty of the physical takes center stage.

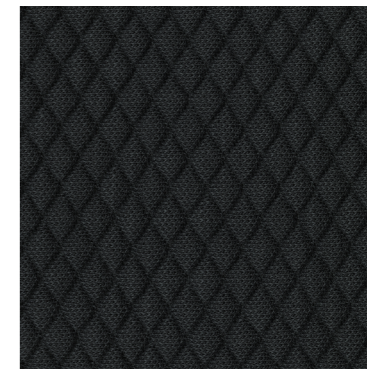

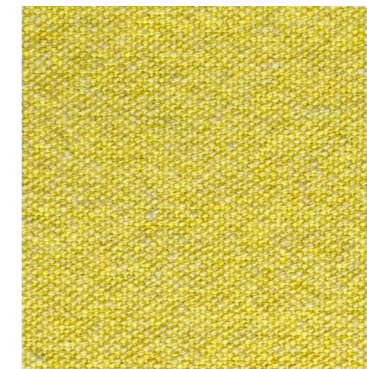

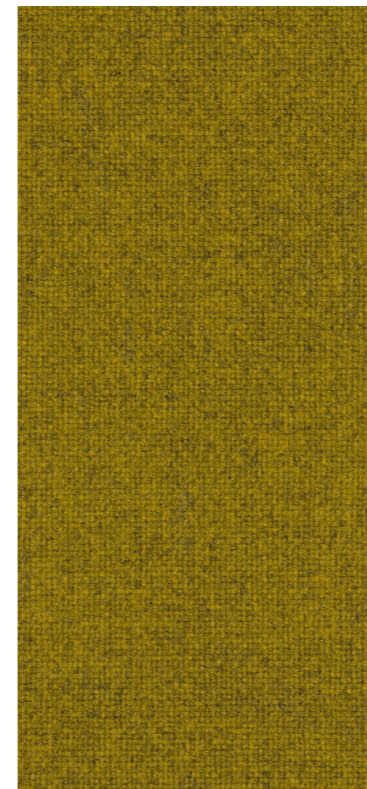

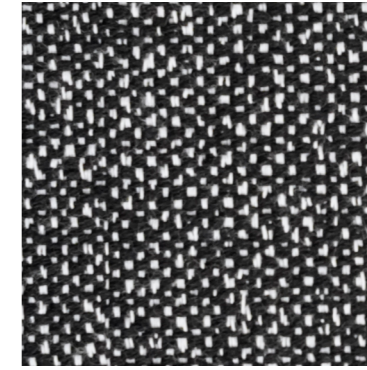

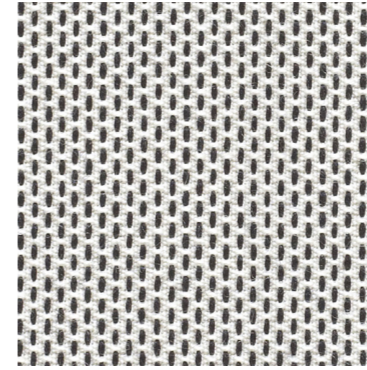

URBAN

Urban theme moodboard merges industrial chic with urban sophistication. Inspired by brutalist architecture, warm grey tones echo city concrete, while dark black hues signify urban energy. Elegant wooden elements add refinement, contrasting with small, bright yellow touches reminiscent of city lights. This fusion captures the essence of modern urban living, blending raw industrial beauty with contemporary style.

Fabrics & Colours

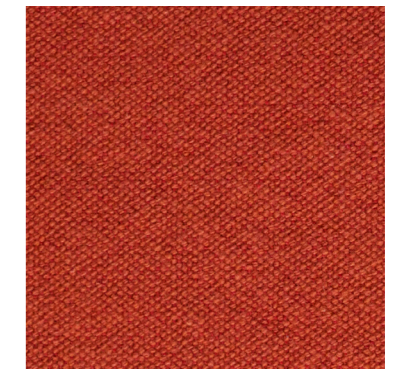

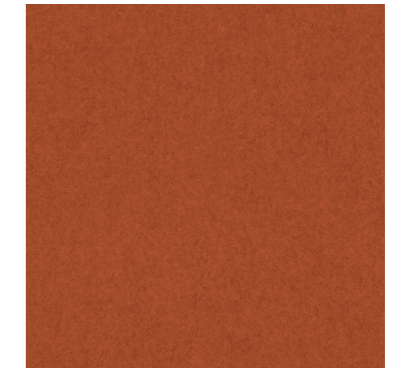

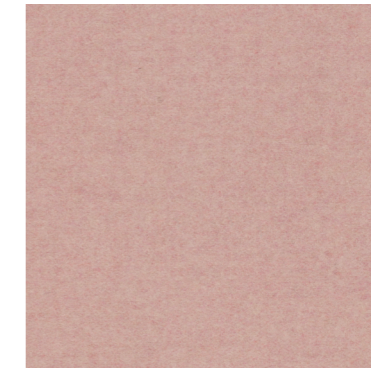

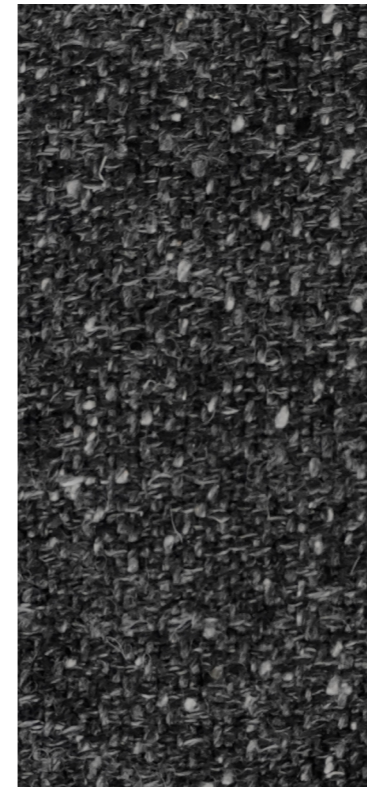

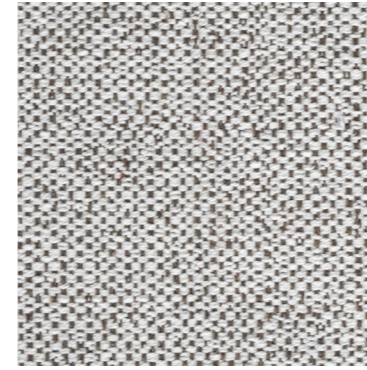

MAROC

Maroc theme evokes images of vast deserts and rugged mountains. Drawing from the earthy tones prevalent in the desert terrain, the palette predominantly features hues of clay, terracotta, and brown, symbolising the warmth of the sun-baked earth. Complementing these earth tones are accents of bright orange, textured white and wooden hues.

ISOLA

Isola reflects the essence of island life, inspired by the stark contrasts of black volcanic landscapes and the turquoise sea. With a palette of black, white, and turquoise, it captures the serene beauty of being surrounded by nature's raw elements, evoking a sense of tranquility and isolation amidst the vast expanse of the ocean.
